**The Webster Groves Baseball / Softball League is a not-for-profit volunteer organization** that offers area youth a safe and fun environment to learn and play baseball and softball. Our goal is to help kids develop the skills and confidence to enjoy playing ball. We also provide increasing competition as their ability and interest grows. Last season we had over 1,600 players participating on over 150 teams. **Our player fees are all-inclusive (no concession stand duty or fund-raisers).** WGBSL supplies everything needed, except a glove: including all team equipment, uniforms, practice field time in April and batting cage time throughout the whole season. Players from every community are welcome. Registration opens January 1<sup>st</sup> and close at the end of February. **Practices start in April and our games are played in May and June** with possible make-ups in July. Our teams are typically arranged by school or neighborhood but we accommodate any groupings. We also partner with neighboring athletic organizations in Maplewood, Richmond Heights, Clayton, Affton, and many private schools.
